Experience

BeMo Academic Consulting Inc. / Administrative Assistant
March 2021 - May 2023
I have worked with almost all departments and had a wide range of tasks, including website administration, digital marketing, data analytics, dashboard creation and modification, web research, and social network administration. I helped to automatize data reporting email creation and sending. I started working for the company as an Upwork freelancer and became a full-time employee which is not a regular practice for this company.

Upwork / Freelancer
March 2017 - March 2021
Web Research, Data Analytics, Data Visualization(with Tableau and Power BI), Data Entry…

ANQOR LTD / Receptionist on a river cruiser
August 2015 - November 2016
Receptionist on a river cruiser where I worked on cruisers operating on the Danube, Rhine, Moselle rivers and Dutch canals.
